

FEE STRUCTURE POLICY

Policy Revised Date - 02-05-2023

Policy Statement

The school has a vision to provide value based education to young minds and provide a dynamic learning environment. Hence our institution's fee structure has no way, an impression of commercial use of education or profiteering. The management creates fee structure only after considering the payment capacity of most families in the area in which the school serves, the need for providing salary to the staff, the necessity for setting apart a reasonable percentage of the income for the normal development of the institution.

FEES RULES AND REGULATIONS.

The management of the school will regulate the fee structure or propose the details of the fee structure or propose the details of the fees hike in accordance with the respective state Fee Regulation Act.

The school authorities present the details of revising the fees in the PTA – Executive.

The school disclose the fee structure of the school on school's official website.

The management reserves the right to have the last word in all matter, relating to admission and fee structure.
