Sub: One-Day Medical Camp

Dear Parents/Students,

We are pleased to inform you that a one-day medical camp will be organized on 19th Oct 2023 by the school and PTA members, in collaboration with NIMS Medicity. This initiative aims to promote health awareness and promote accessible healthcare services to our students.

The medical camp will include a team of experienced and qualified professionals from various departments, including general physicians, cardiologist, ophthalmologists, nurses, and support staff. This diverse team is dedicated to ensuring the well-being of our students.

We encourage all SFS students and staff to take advantage of this opportunity to undergo health check-ups and gain valuable insights into their well-being. The medical camp will be held on the school premises, and we appreciate your cooperation in making this event a success. Thank you for your attention, and we look forward to a healthy and informative day for our students.

Principal
